The Sweet Factory – Info + Rate Card

Luke Potter is a major label recording artist having had singles released by Sony and Sony Ultra that he has both written and produced. His works have amassed c.30 million streams.

Alongside this Luke has his own recording studio, ***The Sweet Factory***, where he writes, records and produces other songwriters / artists. The studio is a haven for writing and / or just recording songs utilising the best facilities, latest plug-ins and equipment. And it's easy to be inspired given the panoramic views across Somerset and beyond!

The studio and Luke's recording / producing services are available to hire. There is a permutation of different rates according to the customer's aims and requirements.

A. Write and record a song with Luke - price includes:

- A day in the studio composing and recording the basis of a song *(arranging & producing, as required)*
- Follow-up production to include 2-3 amends / rewrites…
- Delivery of a final mixed and mastered track.

£300(*)

B. Record a song with Luke – price includes:

- A day in the studio recording and producing songwriter / artist song (*arranging & producing, as required)*
- Follow-up production to include 2-3 amends
